credit note against a previous invoice and the amount for the Service Credits shall be repayable by the Consultant Company as a debt within ten Business Days of issue of the credit note. 8.2 The Consultant Company shall invoice the University for the Services and shall comply with the remaining provisions of this Clause 8.

8.3 The Charges shall be inclusive of all costs, overheads and expenses of any kind (including all delivery costs) and all other charges, duties, expenses and taxes but shall be exclusive of VAT, which the Consultant Company shall add to its invoices at the appropriate rate.

8.4 The Consultant Company shall submit invoices in accordance with the payment schedule agreed between the Parties in writing.

  - 8.5.3 details of the Services performed;
  - 8.5.4 a breakdown of the Charges and any additional charges incurred; and
  - 8.5.5 details of the Consultant Company's nominated bank account.

  - 8.6.6 ensure prices, quantities match the purchase order.
- 8.7 Failure to provide the required information may result in either returned invoices or payment delays.

- 8.9 If the University requires any information in order to verify the accuracy of any invoiced amount it shall, within 10 Business Days of receiving the relevant invoice, give written notice (an "**Information Request**") to the Consultant Company specifying the information it requires. The parties shall comply with the decision of the Charges Expert.

- 8.12 Pending the resolution of any matter or the provision of any necessary information, the University shall be entitled to withhold payment of such part of the invoice as it relates to the matters which are the subject of the relevant Information Request (as appropriate). Any failure or delay by the University in notifying the Consultant Company of any disputed amount shall not prejudice the University's right to dispute (and, where appropriate, recover) any sums that should be, or should not have been, paid by the University.
- 8.13 All undisputed sums due to the Consultant Company under the terms of the Contract shall be paid against a valid invoice. Payment of any undisputed sum shall be made within 30 days following receipt of a valid invoice.

Payment by the University of all or any part of any invoice is without prejudice to any rights or remedies that the University may otherwise have against the Consultant Company and does not constitute any acceptance by the University as to the performance by the Consultant Company of all, or any part of its obligations.
- 8.15 The University shall be entitled at any time to set off any liability of the Consultant Company to the University against any liability of the University to the Consultant Company (whether that liability is present or future, liquidated or unliquidated and irrespective of currency) under:

A waiver of any right or remedy under the Contract or law is only effective if given in writing and shall not be deemed a waiver of any subsequent breach or default. No failure or delay by a Party to exercise any right or remedy provided under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

**30.7 Third Parties**
