

Sustainability Champions: Timeline

October

Sustainability Champions launch

An in-person/hybrid launch that explains the workbook criteria for the year ahead, key sustainability updates, and networking and activities to get to know other Champions in the programme

November–April

Completing the actions

- Forming a team
- Completing criteria of either Climate & Sustainability Foundation, Bronze, Silver or Gold
- Updating evidence for criteria of previously attained awards
- Attending group workshops and events
- Communicating with King's Climate & Sustainability team about progress and questions
- Submitting your completed online toolkit (Green Impact toolkit for office and residence teams; LEAF for lab teams)

May–June

Sustainability audits

Office and residence team audits take place on 1 day by trained students.

Lab teams conduct peer audits and receive training on how to carry these out by King's Climate & Sustainability team

July

Sustainability Awards

All Sustainability Champion teams receive an award, certificate and badge as a thank you and in recognition for taking part in the programme.
