Connect.
Collaborate.
Create.

A diverse and inclusive community of student co-creators.

King's 100

Beyond the conversation

King's 100 is a unique opportunity that brings together a diverse group of 100 students reflective of the King's community, to co-create student experience projects and initiatives. This paid part-time position enables students to work directly with staff across the university to develop ideas, build progress and make changes – shaping the King's experience for themselves, and future generations.

The King's 100 programme is open to every student at King's. We believe that recruiting a diverse panel will benefit everyone in the King's community – reflecting the varied views and experiences of our student population. The programme is designed to grow students' confidence, allow them to build connections, create impact and gain valuable personal and professional skills.

How to apply

To find out more about the King's 100 programme and apply visit CareerConnect. Applications will close on Sunday 27 October at 11:59pm (GMT)
