Flexible Learning for Defence
and Security Professionals

ADVANCE YOUR CAREER WITH A POSTGRADUATE PROGRAMME TAILORED TO YOUR NEEDS

The MA in Security Studies from King's College London is a new and flexible postgraduate programme designed specifically for practitioners in defence and security. With unparalleled adaptability, this programme enables you to pursue academic excellence alongside your professional and personal commitments, helping you achieve your career goals.

WHY CHOOSE THIS PROGRAMME?

TAILORED TO YOUR GOALS

Customise your learning journey to match your career interests by selecting modules from a wide range of topics, including those offered in the:

- > MA in International Relations and War
- > MA in International Affairs
- > MA in Global Security

RECOGNITION OF YOUR EXPERIENCE

Gain academic credit for your prior learning and professional experience through the Recognition of Prior Learning (RPL) framework, reducing the time required to achieve your qualification.

FLEXIBLE STUDY OPTIONS

Study at your own pace, with the ability to extend your learning journey over up to 10 years.

STACKABLE PATHWAYS

Choose the path that works best for you—start with a PGCert, progress to a PGDip, or complete the full MA.

DEVELOP PRACTICAL SKILLS

Engage with case studies, debates, policy papers, and coursework essays to tackle real-world challenges in defence and security.

BUILD A LIFELONG NETWORK

Collaborate with world-leading scholars and a diverse cohort of professionals, expanding your perspectives and professional connections.

WHAT YOU'LL GAIN:

- > A deeper understanding of today's pressing security and defence issues.
- > Practical tools and insights to address contemporary challenges.
- > A professional network and skills to last a lifetime.

READY TO TAKE THE NEXT STEP?

Discover how the MA in Security Studies can help you achieve your academic and professional ambitions.
